Rooms & Suites

The Greenwich has 88 Rooms and Suites, of which no two are alike. Furnishings draw from a wide range of cultural influences...from hand-loomed, Tibetan silk rugs to English leather settees. All beds are Duxiana from Sweden. Bathrooms are designed in unique patterns of hand-laid Moroccan tile or Italian Cararra marble.

Modern technology complements the hotel's old-world charm. Rooms feature high-definition flat screen TV's, iPod docking stations, and complimentary wireless internet. DVD players, laptop computers, faxes, and pre-loaded iPods are available upon request. Pet-friendly rooms are available upon request at no additional charge.

Locanda Verde

Locanda Verde is a casual and energetic neighborhood tavern serving Andrew Carmellini's soul-satisfying riffs on Italian cooking. Claim a spot in the cafe for a cappuccino and one of Karen DeMasco's irresistible pastries; relax over lunch at a sunny table in our courtyard; or settle into the banquets and kick back with a leisurely dinner.

Locanda Verde provides in-room dining 24 hours a day, 7 days a week. Chef Andrew Carmellini would also be happy to prepare a more elaborate in-room dining experience for you, be it an intimate dinner for two in one of our suites or a multi-course dinner party in our private dining room.

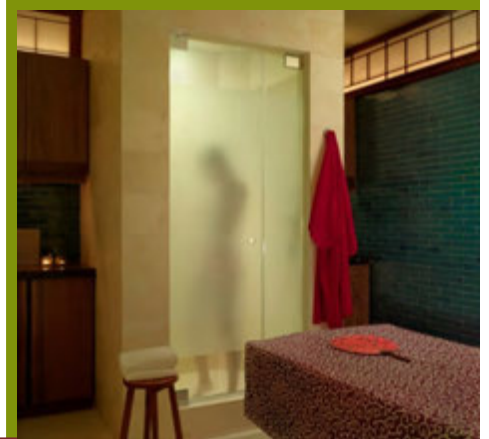

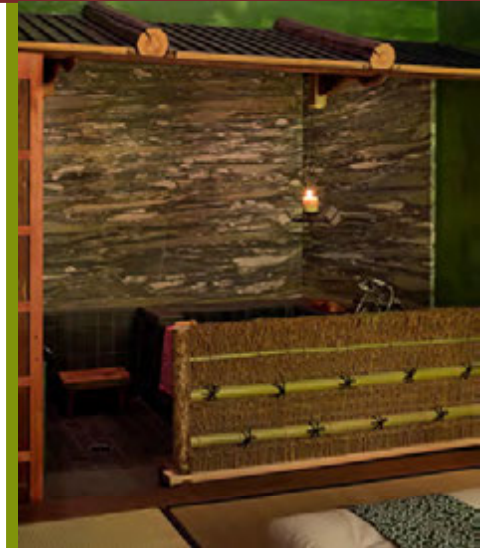

Shibui

Shibui Spa has a shiatsu room; a traditional bathing room with a large tub for Japanese bathing rituals, a wet room that includes a shower for wraps and scrubs and finally a treatment room where massages as well as manicures, pedicures and facial treatments are offered.

The fitness area is more than 1000 square feet. Its design has been integrated to fit the concept of Shibui, serenity, with old hemlock floors and hidden lights, coupled with the most state-of-the-art equipment.

Shibui houses a lantern-lit swimming pool and lounge under the roof of a 250-year old wood and bamboo farmhouse, reconstructed in the hotel, by Japanese craftsmen.
